

# WESTPARK PARK AND RIDE SERVICE CONCEPTS STUDY

OVERVIEW & OUTREACH  
SEPTEMBER 2023

# STUDY INTRODUCTION

# BACKGROUND

Given changes in travel demand and travel patterns resulting from the pandemic, the County is re-assessing how Westpark Park and Ride (WPPR) will support the county's transportation needs.

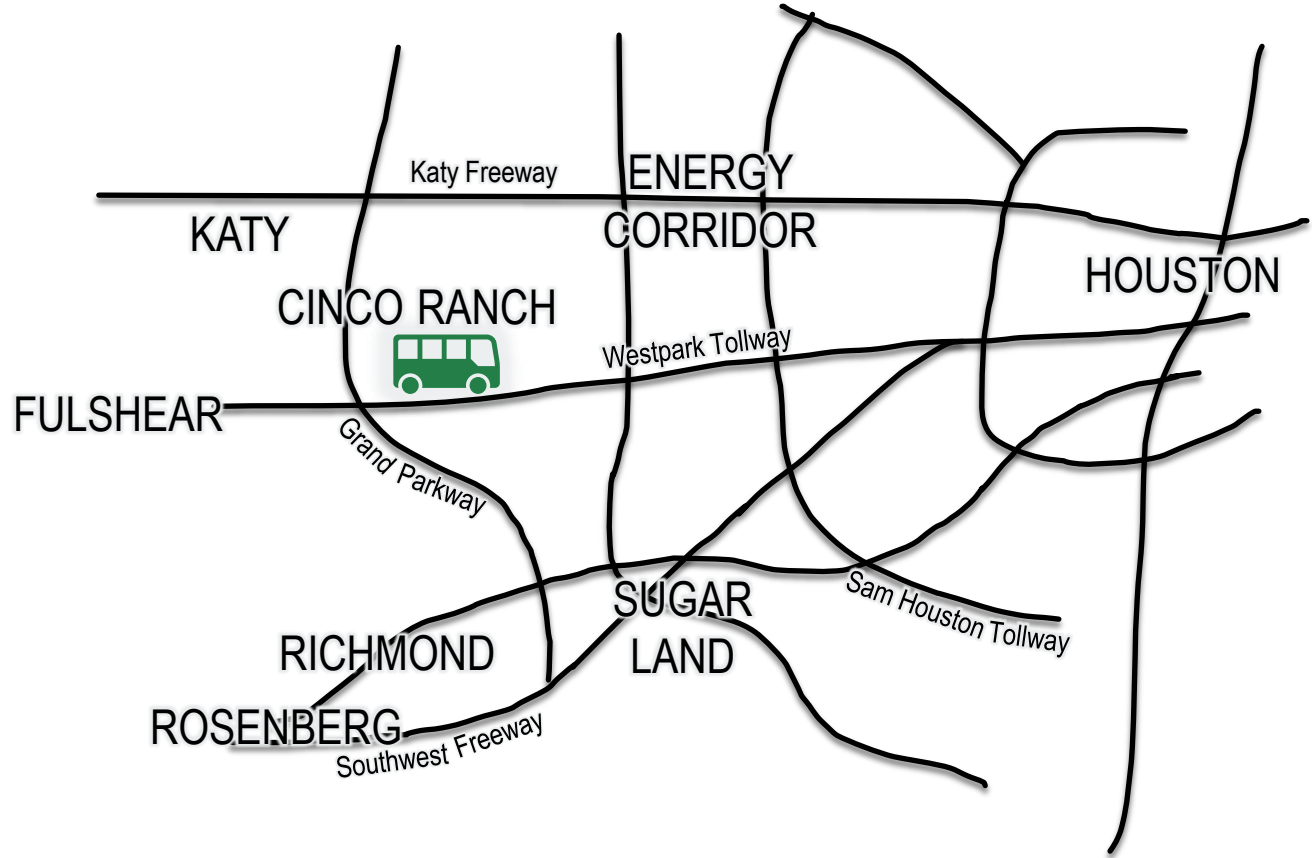

**We need your input to help us figure out what those transportation needs are!**

## SITE LOCATION

WPPR is located at 19820 FM 1093 in Fort Bend County, just on the north side of the Westpark Tollway and just west of Houghton Road.

# LOCATION OF WPPR IN THE REGION

# STUDY TEAM

The study is being conducted by the Texas A&M Transportation Institute (TTI) under contract to Fort Bend County.

WHAT'S HAPPENING IN THE STUDY?

# STUDY TASKS

1. Identify potential WPPR users and their needs. ◀ **IN PROGRESS**
2. Establish WPPR goals and guiding principles.
3. Develop and evaluate preliminary options.
4. Obtain public input on preliminary options.
5. Identify and refine the preferred option.
6. Develop a financial plan for the preferred option.
